We are coming up to the first anniversary of the founding of our municipality on January 1, 2023. Our first year has been an exciting, demanding and a learning experience.

Throughout the first year of this journey as the new Campbellton Regional Community, Council has been very pleased with the sense of teamwork, unity and pride from everyone involved, from elected officials, municipal staff and residents. We could not have done this without you.

All members of Council wish to thank you for your cooperation and patience during this very busy transition time.

As our first year as a municipality comes to an end, we are more than confident that this is just the beginning of a beautiful success story that will rejuvenate our area. It's already begun.

Jean-Guy Levesque
Mayor

COUNCIL MEETINGS

Residents are welcome to attend regular meetings of Campbellton Regional Community Council at City Hall, 76 Water Street.

Meeting dates, times and agendas are announced on our website (www.nbcampellton.ca) and on our Facebook page

(www.facebook.com/NBCampbellton). Meetings are also available online. Links are included in the notices posted on Facebook and the website.

If you require more information about Council meetings, please call City Hall at 506-789-2700.

HALLOWEEN

Free public swim at Civic Centre

Friday, October 27, from 7:15-8:45 p.m.

Carve your own pumpkin

Tide Head Fire Hall on Sunday, October 28, from 2-4 p.m. Children can choose their very own pumpkin for carving however they like. Must be accompanied by an adult. There is no cost for the event.

Trick-or-treating

There are no formal hours for trick-or-treating in the Campbellton Regional Community. Please use your discretion when doing so and be safe!

- Remember to wear bright colours and stay on sidewalks where possible.
- Keep a close watch for vehicles. Drivers are also reminded to be extra careful on Halloween night for excited trick-or-treaters going door-to-door.
- Homes welcoming trick-or-treaters should keep an outside light on. If an outside light is not on, it is usually a sign to trick-or-treaters that the home is not handing out treats. Simply move on to the next home that is lit. (No tricks, please!)

REMEMBRANCE DAY

We welcome all residents to join us for Remembrance Day commemorative celebrations on Saturday, November 11.

CAMPBELLTON AREA

Royal Canadian Legion Branch #19 - Campbellton will be hosting a Remembrance Day ceremony on Saturday, November 11, beginning at 10:50 a.m. at the Memorial Regional Civic Centre in the Campbellton Area.

Wreaths and crosses can be purchased from Royal Canadian Legion Branch #19, 34 Union Street, Campbellton Area. Please call 506-759-8025, email rclbranch19@gmail.com or drop in at 34 Union Street, Campbellton Area, between 12-4 p.m. from Friday, October 27, until Friday, November 10.

Following the Remembrance Day ceremonies, a banquet and dance will be held at Royal Canadian Legion Branch #19. The banquet begins at 1 p.m. Free for all veterans. Tickets for non-veterans are available at the Branch office. The dance will take place from 2-4:30 p.m. with music by Daniel Poirier.

ATHOLVILLE AREA

A Remembrance Day ceremony will be held indoors at Alma Hall in the Atholville Area on Saturday, November 11, at 10:50 a.m.

If you would like to lay a wreath at the Atholville ceremony, please provide your name to Campbellton Regional Community City Hall no later than Monday, November 6, by calling 506-789-2700.

CHRISTMAS MAGIC AND PARADE

Let the enchantment of Campbellton Christmas Magic carry you into the holiday season. Activities such as a parade, tree lighting and so much more will be offered starting Friday, December 1. Follow us on the Campbellton Regional Community Facebook page and our website for more details.

SNOW CLEARING OPERATIONS

In an effort to help our municipal employees maintain our streets safe during the winter season, we ask that you please not push snow or ice onto any street or sidewalk from any lot or building. We thank you in advance for your cooperation! In order to ensure public safety, please ensure that fire hydrants are not covered with snow by you or your snow clearing contractor.

CIVIC NUMBERS

The consistent presentation of civic numbers on your property is an important way for first responders to find your address as quickly as possible. Here are guidelines to follow when installing a civic number ("street address number") on your property:

- Numbers should be on the same side of the road to the structure to which they relate.
- Numbers should, where possible, be attached in order of preference to: 1) building; 2) mailbox; and 3) civic number post.
- Numbers should face directly onto the road so that the civic number may be easily seen by vehicles travelling in both directions.
- The bottom of the numerals should be at least 1.2 metres (48 inches) above the ground or more in order to be seen during winter conditions.
- The numbers should be in numeric form (not written out).
- The colour of each numeral should contrast with the colour of the building, mailbox or sign post to which it is attached, and ideally should be constructed of a reflective material.
- If the number is located on a sign or post or on a building which is within 15 metres (49.2 feet) of the roadway, then the numerals should be not less than 65 millimeters (2 1/2 inches) in height, or preferably at the driveway entrance, and constructed of a reflective material.
- If the number is located on a building which is 15 or more metres (49.2 feet) from the roadway, then the numerals should be not less than 100 millimeters (4 inches) in height.
- An owner may place a civic number on a sign or sign post located adjacent to the entrance of a driveway which provides emergency vehicle access to a building.
- Consider traffic safety and other overruling factors that may impact the display of your civic number (i.e., obstruction due to excessive snow fall, potential damage caused by snow removal vehicles, and visibility to emergency service vehicles at night).
- Standardized address plates are available at the provincially designated local supplier: Enseignes Chaleur Signs, 2 Notre Dame Street, Atholville Area, 506-789-0790.

DESIGNATED DISABLED PARKING

Campbellton Regional Community residents and visitors are reminded that designated disabled parking spaces in the municipality are for those holding valid disabled parking permits **ONLY**.

These special permits are issued in situations where the person has a significant degree of mobility impairment caused by paralysis, lower limb amputation, heart or lung

disease or other health problems such that the person would have difficulty walking unassisted more than 50 metres in outdoor weather conditions.

We are asking for the public's cooperation in ensuring that these parking spaces be kept available for those who need them.

Vehicles not displaying a valid disabled parking permit risk being towed or fined.

EMAIL NEWSLETTER

The Campbellton Regional Community is gathering names and email addresses of individuals interested in being part of an email distribution list for municipal events, news, etc. If there is enough interest, we will add direct email to subscribers as part of our ongoing communications efforts to keep residents informed.

If interested, please email info@campbellton.org with your first name, last name and email address along with "Newsletter" in the subject line. Rest assured that all information will be kept strictly confidential and will not be shared with outside organizations. Should we proceed, subscribers will have the option of unsubscribing from updates at any time.
